The Lord is My Shepard – Chitungwiza Harmony Choir

All the sayings that
remind us of Nigel

He's a flash bugger
Hit it with a stick
Draw a line in the sand
Roll with the punches
Go with the flow
Tell them we are from Zimbabwe
Avoid greed and panic
Class act
Mint!
Millo crocodilo
You don't sweat much for a fat bird
A few gins have passed that guys lips
I think we have thrashed this to death
We'll just feckle it up
I think let's do a 180
Live by your own rules
What's the next step dancing
Even the boney (bike) has got a flat
Cherry pies
I'm going on diet I've been a fattikapartis
That's a bloody bargain
Does he have a running car
That sounds like a ponzi scheme to me
Don't be a fat head
One for the road
It's better to be born lucky than rich
Do they know who I am
Have you tried the pens on it
I can get us a deal

In loving memory of

NIGEL JOSEPH TABRAR EARLE

APRIL 17, 1947 - JANUARY 25, 2025

His love, laughter and generous spirit will be dearly missed by all
